Planned Parenthood South Atlantic

Clinician (Nurse Practitioner or Certified Midwife)

CHARLOTTESVILLE, VA / PATIENT SERVICES / FULL-TIME

For a **century**, Planned Parenthood has been one of the nation's leading providers of excellent, affordable health care for women, men, and young people, and the nation's largest provider of sex education. Planned Parenthood health centers provide contraception, testing and treatment for sexually transmitted infections, and lifesaving cancer screenings. We serve women, men, and young people from every community and income level. Our work has staying power. We serve our communities with non-judgmental, compassionate care, no matter what their circumstances.

PPSAT is committed to the health and wellbeing of all staff and patients. For this reason, we've made the decision that all PPSAT personnel are required to be vaccinated against COVID-19, unless a reasonable exemption is approved.

Planned Parenthood South Atlantic (PPSAT) is seeking a Clinician to work in our Health Center located in Charlottesville, VA. PPSAT believes sexual health is essential to every person's overall health, well-being, and happiness. The Clinician provides direct patient care in family planning and abortion services in accordance with PPSAT's mission and values and consistent with standards set forth by federal, state, and local regulatory agencies. They will provide general healthcare, health maintenance, education, and counseling to patients. The Clinician also provides general health care to transgender and gender-diverse patients, including provision of gender-affirming hormone therapy. They serve as the primary clinical go-to person for CMA (Certified Medical Assistant) and HCA (Health Center Assistant) staff, facilitating flow of patients, directing staff to appropriate resources for the management of clinical issues, emergencies, and operational issues. They work closely with the Clinical Supervisor, Clinical Director of Family Planning, and the Chief Medical Officer to monitor and improve the efficiency and quality of family planning and abortion services. The Clinician will participate in after-hours call duty for procedure-related emergencies, based on a rotating schedule.
