- Current CPR/BLS Certification
- Bilingual (**Spanish and English**)
- 2 years of seeing patients in a medical practice; **Family Planning is a plus**
- Experience with coding medical visits
- Experience with electronic health records
- Exceptional communication and organizational skills
- Ability to perform multiple tasks in a busy environment
- Pleasant outgoing personality
- Strong attention to detail
- Ability to work evenings, weekends, and a flexible schedule
- A professional appearance

Duties:

- Greet clients and visitors in a positive, warm, caring, friendly manner
- Manage flow of clients in the health center
- Laboratory testing, injections, blood draws, taking medical histories and client education
- Documentation in electronic health records
- Providing family planning education to clients
- On Call duties as assigned
- Providing LARC and other methods of birth control to clients
- Providing services to clients seeking pregnancy termination
- Performing physical exams
- Providing clients with nonjudgmental, compassionate care+
- Providing follow up care to clients

carafem offers a competitive salary package, which includes employer paid health/dental insurance and paid time off.

If you are interested in being part of an extraordinary team that provides excellent care to clients, please forward your resume with cover letter to Kat Boyd at kat.boyd@carafem.org.
